March 20, 2013 @ Annapolis Yacht Club (AYC)

### Business Meeting:

Eva Kapitan chaired the meeting as Shahla Butler was happily celebrating Noruz, the Persian New year at home. Eva wished everyone a happy first day of spring and Pudy Palmer and Kathy Antosek happy birthdays. New member, Donna Howard was warmly welcomed. Kathy & Karen were thanked for the lovely spring table centerpieces.

Carol Miller relayed a message from Evie Renz who sent her appreciation for all the cards and best wishes and there was a moment of silence when Carol announced that Carol Manion is now in hospice.

**May Fair** – Aida Capriani reminded everyone that she was soliciting for the white elephant table and needed volunteers to work the table. Pudy Palmer is still looking for donations valued at \$50 or more for the silent auctions and Joanne Kidwell asked for door prize donations / ideas.

### Gardening tips of the month

Kathy Antosek offered forsythia cuttings from her garden and advised members to snip and put them in water. The cuttings will root in time and if the product "rootone" is applied they can then be planted. Kathy also told members about a bar code reader for wild birds and their calls.

### March Program

Gardens of the world- a slide show presentation by members of gardens they have visited in England, Scotland, Holland, Iran, China and Taiwan
