

Garden Club of Annapolis (GCA) October Meeting  
October 16, 2013 @ Field Trip

**Field Trip Program**

The Garden Club embarked on their first field trip adventure for 2013. Planned by Jenny Henry, a total of 13 members participated on a trip to Willow Oak Flower & Her Farm, located at 8109 Telegraph Road, Severn, Maryland 21144. A lecture on the hundreds of varieties of flowers and trees was given by Herbalist: Maria Price-Nowakowski. This was followed by an outstanding and delightful tea in their gazebos. There were plenty of opportunities for education, questions, shopping and congeniality. All in all it was a splendid adventure. They have all kinds of events yearly from March to December. Anyone wishing more information be sure to visit them on-line at [www.willowoakherbs.com](http://www.willowoakherbs.com) or in person.

**Meeting Adjourned at approximately 1:30 p.m.**

Next Meeting will be on November 20, 2013 – at the Annapolis Yacht Club.

Respectfully submitted  
Carol Small, Secretary
