*Hosted By The Chesapeake Garden Club*

# *Botanical Art: Inspiration Spring!*

**Terry Godfrey**, AIFD, will demonstrate floral and botanical art interpretations of spring themes such as new growth, spring showers, nest building and other seasonal phenomena. Terry is known for using interesting techniques, armatures, wire work and other non-traditional approaches to floral design. Come be inspired!

Terry is a Washington, DC floral designer, an AIFD evaluation judge, and a floral design instructor at Anne Arundel Community College. Her work may be viewed at [www.floral-innovations.com](http://www.floral-innovations.com). Some designs will be raffled!
